NOTE: The above certification is required by the Equal Employment Opportunity regulations of the Secretary of Labor (41 CFR 60-1.7(b) (1)), and must be submitted by bidders and proposed subcontractors only in connection with contracts and subcontracts which are subject to the equal opportunity clause. Contracts and subcontracts which are exempt from the equal opportunity clause are set forth in 41 CFR 60-1.5 (Generally only contracts or subcontracts of \$10,000 or under are exempt.) Currently, Standard Form 100 (EEO-1) is the only report required by the Executive Orders or their implementing regulations.

Proposed prime contractors and subcontractors who have participated in a previous contract or subcontract subject to the Executive Orders and have not filed the required reports should note that 41 CFR 60-1.7 (b) (1) prevents the award of contracts and subcontracts unless such contractor submits a report covering the delinquent period or such other period specified by the Federal Highway Administration, or by the Director, Office of Federal Contract Compliance, U.S. Department of Labor.

ADDENDUM NO. 1

January 19, 2015

Project 620922

**RE: TOWN OF WAITSFIELD, VERMONT
VILLAGE COVERED BRIDGE AND BRIDGE STREET STORMWATER
IMPROVEMENTS PROJECT**

**FROM: DuBOIS & KING, INC.
P.O. Box 339
Randolph, Vermont 05060
(802) 728-3376**

TO: Prospective Bidders

This Addendum forms part of the Contract Documents and modifies the original Bidding Documents dated December, 2014. Acknowledge receipt of this Addendum in the space provided on the first page of the Bid Form. Failure to do so may subject the Bidder to disqualification.

A pre-bid meeting was held on the project site, and the following issues were discussed:

I. Clarification

1. There is a requirement that all bidders must be the VTrans pre-qualification lists for "Covered Bridge Rehabilitation" and "Road and Highway". The intention is that either the prime contractor or their sub-contractors must be on the required lists. The prime contractor does not need to be on both lists.

II. New Information

1. It has been brought to the Town's attention that there are currently no contractors on the approved pre-qualification list for "Covered Bridge Rehabilitation". Therefore, the Town is revising this requirement so that all bidders must be on the pre-qualified list for "Bridge Rehabilitation". Pre-qualification for "Road and Highway" is also still a requirement.
