Annual report information - Green Up Day, May 4, 2013

(This is available as a downloadable word document on the "About Us" page of our website).

The weather warmed up just in time for Green Up Day 2013! Many towns reported an increase in volunteers, with some towns setting all-time records. Coordinators overall reported seeing and collecting less trash. We are beginning to track illegal dumpsites by town as well, with the help of our coordinators.

Green Up Day celebrated 43 years in 2013. Green Up Vermont is the not-for-profit 501(c) (3) organization responsible for continuing the success of Green Up Day. The success of Green Up for Vermont depends upon two essential ingredients: one is the combined efforts of individuals and civic groups volunteering to make it all possible; and two, the financial support given by the public and private sectors throughout Vermont. The "State" does not "do" Green Up Day.

With your town's help, we can continue Vermont's unique annual tradition of taking care of our beautiful landscape and promoting civic pride so our children grow up with Green Up. Our coordinators tell us that **most of their volunteer force is families with young children**. Green Up Vermont focuses on education for grades K-12 with activities such as a curriculum for K-4, activity booklets, a story and drawing booklet, and the annual poster and writing contests for grades K-12. Please visit www.greenupvermont.org to learn more.

Careful use of resources minimizes Green Up's costs. The State appropriates funds that cover about 12 percent of our budget. Last year, appropriations from cities and towns covered 18 percent of our budget. These funds pay for supplies including over 46,000 Green Up trash bags, promotion, education, and services of two part-time employees. We ask your community to contribute because when you support Green Up Vermont you are not just supporting a program but Vermont and the people who live – and visit – here.

Mark your calendars for the next Green Up Day, May 3, 2014, the first Saturday in May. Put on your boots, get together with your family, invite some friends and come join us in your community to make Vermont even more GREEN!

SELECTION OF TOWN COORDINATOR

It's time to **verify** your Green Up Day Coordinator for May 3, 2014. **We want to make sure that we are both on the same page!** Please mail this form back to us, or you can send us an email with the information included. We prefer mail/email and not fax. Please let us know by November 30th.

(Some towns have "co-coordinators," thus the second name option.)
