

# Mad River Path ASSOCIATION

May 2, 2014

**Via Email Only**

Waitsfield Selectboard  
Town of Waitsfield  
9 Bridge Street  
Waitsfield, VT 05673

Dear Selectboard members,

On behalf of the 400 members of the Mad River Path Association, I am pleased to offer this letter in support of the Town of Waitsfield's effort to develop a financially viable renewable energy source for its municipal buildings.

We wholeheartedly support efforts by the Town to off-set its carbon footprint and the electric costs of municipal facilities. We believe that any opportunity to reduce dependence upon fossil fuels should be explored and that the Town is taking an important step in the right direction.

Moreover, we appreciate the Town's attention to minimizing the visual impact of the solar array by locating the facility next to the Town garage.

Should you have any questions, please feel free to contact me.

Sincerely,

William E. Flender  
Executive Director
