Dear Jennifer:

It is that time of year when we have the opportunity to thank Central Vermont communities for their generous support of the Central Vermont Community Action Council with a town allocation. According to our records, the citizens of Waitsfield voted an allocation of \$300 at your last town meeting.

Invoice: Many towns ask that we send an invoice to them so we have enclosed one with this letter. (If we have already received payment an invoice should not be enclosed.) If we have sent this invoice to you in error please contact Justine Johnson via e-mail at jjohnson@cvcac.org or by calling (802)479-1053. Sometimes checks and invoices cross in the mail.

Report: We do our best to carefully track the types of services we provide to town residents each year to show how your community investment helps leverage substantial additional resources. I have enclosed a hard copy of our report for Waitsfield. If you have sent instructions for electronic submission, an electronic copy of our report in MS Word will be sent shortly as an attachment to the e-mail address you have indicated.

If you have not yet requested an electronic submission of our report but would like one, please contact Justine at the e-mail address provided above and we will be happy to e-mail it to you. Let us know if you have other report formatting requirements.

Allocation Request: I have also included a letter with our official allocation request of \$300 for the upcoming year. We are not asking for a funding increase this year. If you have already sent additional instructions on how we should make this request we will follow them. If a petition is required we will have those signatures to you in a timely fashion. If you would like a CVCAC representative to come to a community meeting to discuss our organization and our request, we would be happy to do so. Please let me know date, time and place, and I will arrange for a representative to attend.

Every town seems to do things a bit differently, so I thank you again for your support and for processing all of this information! Please contact me if you have any questions regarding the enclosed or require additional information.

Sincerely,

Kevin Wiberg, Program Development Director

CVCAC Allocation Request

The Central Vermont Community Action Council respectfully requests a budget allocation of \$300 from the citizens of Waitsfield to be determined at the next Town Meeting. Our request remains the same as last year; we are not seeking an increase.

The Central Vermont Community Action Council helps Central Vermont residents achieve economic sufficiency and supports individual/family development by alleviating the effects of poverty; assisting people out of poverty, and advocating for economic justice. Each year CVCAC serves more than 15,000 individuals living in 56 Central Vermont communities. In this past year we experienced substantial increases in demand for fuel assistance, emergency food, and housing/homelessness prevention.

If additional information is required regarding this request, please contact: Kevin Wiberg, Director of Program Development, (802)479-1053; kwiberg@cvcac.org.

Thank you for your continued support.
