Dear Ms Peterson and Select Board Members:

With this letter, the Family Center of Washington County respectfully requests \$500 in the budget to go before the voters of Waitsfield in 2010. A completed town summary report is enclosed with this letter.

During our last fiscal year, July 1, 2008 – June 30, 2009, it was our pleasure to serve 59 members of the Waitsfield community through our array of child development and family support services. We look forward to continuing our activities in Waitsfield during the coming year.

Thank you for your on-going assistance in facilitating this request to be on your town meeting ballot. Please note our new mailing address as we are no longer at 32 College Street. We are now located at 383 Sherwood Drive, Montpelier, VT 05602.

Sincerely,

FAMILY CENTER OF WASHINGTON COUNTY
...serving families in Waitsfield

The Family Center of Washington County fosters the positive growth and development of young children and their families. The Family Center's array of services includes: infant, toddler and preschool child care, playgroups for children from birth to five, parent education and outreach activities – for mothers and fathers, training for child care providers, assistance to parents in finding and paying for child care, and planning and coordinating the Central Vermont Building Bright Futures Council's region-wide programs for parents as first teachers of their children.

Among the 59 individuals in Waitsfield who benefited from the Family Center's programs and services from July 1, 2008 – June 30, 2009 were:

- *8** who consulted our **Child Care and other Resource and Referral services**, receiving assistance in finding suitable child care to meet their needs, answering questions related to child care and child development, and receiving information about other community resources available to them.
- *7 families** who received **assistance paying for child care**.
- *12 licensed and registered child care providers** and other support agencies who consulted our **Provider Support services**, and received monthly newsletters and training on a wide variety of topics through home visits, conferences and workshops.
- *4 children and 2 adults** who participated in our **Playgroups**. Playgroups are free, open to all families with children birth to five, and have no eligibility requirements. Children have a chance to play with others in a safe, stimulating and nurturing environment. Parents talk to other parents, draw upon each other for support, learn new skills from Playgroup Facilitators and get information about community resources.
- *14 adults** who participated in **Parent Education Workshops**.
- *1 child** who attended our nationally accredited **Early Education program**.
- *3 children and parents** who attended our **community events**.
- *7 individuals** who were served by one of our specialized **Home Visiting** services, providing parent and family education and support.
- *1 community member or child care professional** who planned local and regional **Building Bright Futures Council activities**.

We are grateful for the support shown by the voters of Waitsfield. For more information about any of our programs, please contact Lee S. Lauber, Executive Director, at 262-3292, Ext. 118, e-mail us at familycenter@fcwcvt.org, or visit our website at www.fewcvt.org.
