Dear Ms. Capels

We are requesting that our Good Beginnings of Central Vermont be included in the Town Warning for the 2012 Annual Meeting for the same amount of \$300 as in previous years. Wording for this warning could be as follows:

- Good Beginnings of Central Vermont is a prevention-based, free home visiting service – now in its 20th year – extended to all families in central Vermont. Our volunteers, mothers of all ages, provide support to parents of birth and adopted infants during the critical first weeks and months following birth. We encourage families in our initiatives of bonding/carrying of infant, early literacy, and fatherhood mentors. Our funding comes solely from grants and fund raising, so we are grateful to voters for their support of our efforts to meet the immediate and long-term needs of families.

Thank you for letting us know if you require any other documentation from us.

Our best,

Sara C. Nevin

Executive Director
