Annual report information - Green Up Day, May 7, 2011

(This is available as a downloadable word document on the "Who We Are" page of our website).

Green Up Day celebrated 41 years in 2011! Mother Nature gave us all the reprieve of a beautiful weekend for Greening Up in the midst of a record-setting wet spring. A strong sense of community spirit continues to inspire volunteers to come out and do their part in cleaning up every corner of our lovely state!

Green Up Vermont is the not-for-profit 501(c) (3) organization working to enhance our state's natural landscape and waterways and the livability of our communities by involving people in Green Up Day and raising awareness about the importance of a litter free environment. The success of Green Up for Vermont depends upon two essential ingredients. One is the combined efforts of individuals and civic groups who volunteer to make it all possible; and two, the financial support given by the public and private sectors throughout Vermont.

With your town's help, we can continue Vermont's unique annual tradition of taking care of our beautiful landscape and promoting civic pride so our children grow up with Green Up. Children are our future, and Green Up Vermont focuses on education for grades K-12 with activities such as a curriculum for K-4, activity booklets, a story and drawing booklet, and the annual poster and writing contests. Please visit www.greenupvermont.org to learn more.

Careful use of resources minimizes Green Up's costs. The State appropriates funds that cover about 12 percent of our budget. Last year, appropriations from cities and towns covered 18 percent of our budget, so we rely on your help to keep Green Up Day going. These funds pay for supplies including over 46,000 Green Up trash bags, promotion, education, and services of two part-time employees. We ask your community to contribute, according to population, to keep Green Up growing for Vermont!

Mark your calendars for the next Green Up Day, May 5, 2012, the first Saturday in May. Put on your boots, get together with your family, invite some friends and come join us in your community to make Vermont even more GREEN!
