**Annual report information - Green Up Day, May 5, 2012**

(This is available as a downloadable word document on the "About Us" page of our website).

Tropical Storm Irene created more work than usual for our coordinators across the state. Green Up Vermont partnered with the Irene Recovery Office on special Green Up to Recover projects. Some of the hardest hit towns reported having so many volunteers that they ran out of places to send them! We distributed an additional 20,000 Green Up Day bags for Irene-related clean ups.

Green Up Day celebrated 42 years in 2012. Green Up Vermont is the not-for-profit 501(c) (3) organization responsible for continuing the success of Green Up Day. The success of Green Up for Vermont depends upon two essential ingredients: one is the combined efforts of individuals and civic groups volunteering to make it all possible; and two, the financial support given by the public and private sectors throughout Vermont. The "State" does not "do" Green Up Day.

With your town's help, we can continue Vermont's unique annual tradition of taking care of our beautiful landscape and promoting civic pride so our children grow up with Green Up. Children are our future, and Green Up Vermont focuses on education for grades K-12 with activities such as a curriculum for K-4, activity booklets, a story and drawing booklet, and the annual poster and writing contests. Please visit [www.greenupvermont.org](http://www.greenupvermont.org) to learn more.

Careful use of resources minimizes Green Up's costs. The State appropriates funds that cover about 12 percent of our budget. Last year, appropriations from cities and towns covered 18 percent of our budget. We rely on your help to keep Green Up Day going. These funds pay for supplies including over 46,000 Green Up trash bags, promotion, education, and services of two part-time employees. We ask your community to contribute, according to population, to keep Green Up growing for Vermont!

**Mark your calendars for the next Green Up Day, May 4, 2013, the first Saturday in May. Put on your boots, get together with your family, invite some friends and come join us in your community to make Vermont even more GREEN!**
