

MAD RIVER VALLEY AMBULANCE SERVICE (MRVAS)

2008 Annual Report

Mad River Valley Ambulance Service takes great pride striving to provide the highest quality of EMS and Rescue service for the four Valley communities.

With over 60 members, MRVAS operates with four disciplines: Medical Team (comprised of First Responder/Emergency Care Attendants, Emergency Medical Technicians – Basic and Advanced), Dispatchers, Drivers, and Rescue personnel, all volunteers from valley communities:

- Fayston --- 16
- Moretown --- 2
- Waitsfield --- 23
- Warren --- 16

Two of our members own a business in Waitsfield and dispatch from their shop during the day, are residents of Granville.

During the past year MRVAS responded to a total of 420 calls that were transported:

- Fayston --- 85 (23 ski calls)
- Moretown --- 41
- Waitsfield --- 135
- Warren --- 159 (23 ski calls)

Mad River Valley Ambulance is always looking for new volunteers; please call 496-8888 or visit our web site at www.mrvas.org for more information. Also, we use the E-911 system and look for E-911 numbers when responding to every emergency location. Is your location marked so we could find you in an emergency? Please help and make sure your numbers are in place and clearly visible from both directions when approaching your driveway.

We wish to thank our Valley residents, second home owners and visitors who support our dedicated staff of volunteers. It is with your generous donations and subscriptions for service that allow us to function as a well-trained team of professionals without requiring tax dollars. It is our pleasure to serve you.

If you have any question please contact our office at 496-8888 or visit our website listed above.
