Continued from Page 1 Dean was touring the area, promising to seek federal disaster assistance. His visit was

Trent Tucker

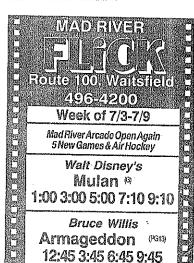

followed on Monday by U.S. Senator Patrick Leahy and U.S. Congressman Bernie Sanders who viewed the damage and

485-6120

promised to see that federal disaster designation was forthcoming.

Federal disaster status was declared by President Clinton on June 30. Preliminary damage estimated for the Valley towns and surrounding areas is expected to exceed \$17 million dollars.
