

Vermont Trails & Greenways Council

*Helping to Shape the Future of
Vermont Recreation.*

For over a decade, the Vermont Trails and Greenways Council has been your voice for recreation, trails and conservation issues throughout the state. Our membership comprises a wide variety of outdoor groups – organizations that work hard, both statewide and at the community level, to provide and protect comprehensive public access to Vermont's recreation resources. Because the Council embraces a broad spectrum of user groups, we are often able to speak with one voice in our efforts to expand and protect public access to trail lands, acquire State and Federal trail dollars and steward natural resources.

Your membership will support our voice for trail interests throughout Vermont. The Vermont Trails and Greenways Council is working to shape the future of recreation in Vermont – for all users. Here are a few of the groups represented in the Council today: walkers and joggers, cross-country skiers, bicyclists, mountain bikers, hikers, equestrians, snowmobilers, mushers, Off Road Vehicle users, paddlers, municipalities, community path organizations, local and regional planners, land trusts, conservation and recreation committees, guides and private individuals.

The projects the Vermont Trails and Greenways Council plans to continue to work on include:

- ❖ Hosting **quarterly meetings** to keep you up-to-date on Vermont events, projects and policies and provide important networking opportunities to share and learn with people across the state,
- ❖ Connecting members through our **biannual newsletter**. Keeping you informed with trail updates as well as feature articles on issues affecting trails in Vermont,
- ❖ Advising the Vermont Department of Forests, Park and Recreation on revisions to the **Vermont Trail System**,
- ❖ Developing and distributing the **Vermont Trails and Greenways Manual** – a resource guide for creating and managing community trails projects
- ❖ Providing guidance with the **Vermont Recreation Trails Fund**, an important funding source for trails projects,
- ❖ Participating in the development of the **Lamoille Valley Rail Trail**,
- ❖ Advocating for trail users in the **Vermont Legislature** and with **State and Federal Agencies** to secure trail funding, ensure public access to trails, and protect trail lands, and
- ❖ Providing **community assistance** - members of the Vermont Trails and Greenways Council have decades of collective trail experience and can assist you in planning, funding and creating your next trail project.

Please consider joining the Council today and feel free to contact us with your ideas and concerns. By working together we can arrive at solutions that will improve our communities.
