

Memoriam

Dana L. Haskin
1930-2017

Dana L. Haskins was a highly respected and active member of our community. Dana was a founding member of the Mad River Ambulance Service and a long standing member of the Waitsfield Volunteer Fire Department. He also started the youth hunter safety course in the Valley and was supportive of many youth activities in the Valley. Dana and his wife Eleanor worked tirelessly to bring the Waitsfield telephone company into the twenty-first century. Dana and Eleanor were very compassionate individuals. They helped many people in need and were always ready to lend a helping hand. Dana will be sadly missed by the Valley.
