

## MAD RIVER VALLEY HEALTH CENTER 2016 Report

The Mad River Valley Health Center (MRVHC) is committed to promoting and facilitating access to health services to the local community. We wish to thank Waitsfield for their financial support of MRVHC in the past, and look forward to your continued support of our mission.

Our key accomplishments for this year:

- Organized and ran the "Chez Henri Cup Challenge" ski race.
- Co-ordinated the "Kids Fun Run" at the "Mad Dash".
- Stored and distributed bike racks throughout the Valley.

In addition to our own fund-raising efforts and rental income, the Health Center relies heavily on contributions from the Valley Towns in order to cover operating expenses. These contributions allow MRVHC to offer quality space to healthcare providers at a competitive rate. We respectfully request a contribution as determined last year of \$4000.

Financial support from the Valley Towns enables the MRVHC to achieve its mission and best serve the community. Specifically, the Health Center is:

- A modern, community owned, health center in keeping with the character of the Valley.
- A custom designed medical office space leased to a variety of healthcare providers including Family Practice, Mental Health, Alternative Medicine and Physical Therapy. The building provides improved privacy and confidentiality and is fully accessible by the disabled and Mad River Valley Ambulance.
- An active and growing resource for a wide variety of community Health Education services and workshops.

Together, MRVHC and the Valley Towns will continue our partnership to provide the Mad River Valley Community with excellent healthcare for all residents and visitors.

Thank you,  
The MRVHC Board of Directors
